EDUCATION

• B.Tech in Artificial Intelligence and Data Science

Shiv Nadar University, Chennai

Sep 2023 - Aug 2027

Chennai, India

◦ CGPA: 8.46/10

• Higher Secondary Education

Government Hr. Sec. School, Kelur

Jun 2021-May 2023

Tiruvannamalai, India

◦ Percentage: 92%

PROJECTS

• Movie Streaming Platform(JoViThirai) (React, Express.js, MySQL, REST API, Postman) [[GitHub](#)]

◦ Built a full-stack movie streaming platform with secure authentication, personalized watchlists, and scalable content management.

◦ Designed RESTful services using Express.js and MySQL and integrated them with a modular React frontend.

• Multi-Vendor E-Commerce Backend (Java, Spring Boot, MongoDB, REST API, Postman) (Ongoing) [[GitHub](#)]

◦ Developing a scalable multi-vendor e-commerce backend with Customer, Seller, and Admin modules, designing robust RESTful APIs and integrating MongoDB for efficient data management.

◦ Implementing secure authentication and role-based authorization using Spring Security and JWT, while building core functionalities such as product management, cart, and order workflows with continuous testing via Postman.

• Download Manager (Java, Swing, Multithreading, HTTP Networking) [[GitHub](#)]

◦ Developed a Java-based application to download files from the internet with support for pause and resume functionality and a simple GUI using Java Swing.

◦ Used multithreading to manage multiple file downloads at once while keeping the interface smooth and responsive.

SKILLS

• **Programming Languages:** Java, Python, JavaScript, C++.

• **Frontend Technologies:** HTML5, CSS3, React.js.

• **Backend Frameworks:** Spring Boot, Express.js, Node.js.

• **Databases:** MySQL, MongoDB.

• **Developer Tools:** Git & GitHub, VS Code, Eclipse, IntelliJ IDEA, Postman

ACHIEVEMENTS & CERTIFICATIONS

• Typewriting Certification - English & Tamil (Junior & Senior) Government Approved / Institute Certification

◦ Completed typewriting courses in both English and Tamil at Junior and Senior levels, demonstrating strong typing accuracy and speed.

◦ **Certificate:** [View Certificate](#)

• Merit Scholarship

SNUC, Chennai

◦ Awarded SPURS scholarship for securing first place in 12th grade school.

• NPTEL Certification - Ethical Hacking

NPTEL (IIT)

◦ Successfully completed the Ethical Hacking course, gaining insights into cybersecurity principles.
